

K-LOVE is a radio station that I listen to everyday. I listen to it at home, at work and often while driving my car. It serves me in that it has positive music and helpful speakers who encourage me to be faithful to my God.

If K-LOVE were to be displaced by an LPFM broadcaster with other programming this would be dissappointing. I know many of my friends at my church and other churches and my immediate family who listen regularly and would be upset if K-LOVE were to go away. Please take the necessary steps to KEEP K-LOVE ON THE AIR! Keep the FM translators so that K-LOVE will not be interrupted.

I believe that the service provided by K-LOVE is in the public interest in that it is commercial free, it plays encouraging, positive music, and takes a stand for God and His Word which is about fostering strong families and marriages, training our kids to be mature adults, and heeding the valuable truths from the Holy Bible among many other important topics that people struggle with everyday.
